save 10%**

VHBA's Charitable Giving

The VHBA Fund of the Wisconsin Builders Foundation, a 501(c)(3) charitable organization, was created to allow the generosity of VHBA members to be focused on housing-related education, research and charitable aid initiatives. Through the annual fundraising events listed here, the VHBA Fund supports scholarships and tool grant programs for students pursuing education in residential construction-related fields. The events also raise funds to support charities, primarily those that are housing-related, particularly in the Fox Valley.

VHBA's Charitable Events Committee annually selects the local charities to receive grants from the association's fundraising events. In 2010, all event proceeds will go to scholarships, tool grants, and the following groups:

- Emergency Shelter of the Fox Valley**
- Greater Fox Cities Area Habitat for Humanity**
- Housing Partnership of the Fox Cities**
- LEAVEN**
- Rebuilding Together Fox Valley**
